Relationship and role

C/Capt Bullock moves to table

C/2d Lt Brown seconds

Ayes have it, topic tabled

MERCAC Report:

GTM Stagnation:

Cadets are not progressing through qualifications

DEWG proposes way to motivate cadets to progress

Squadrons should have monthly SAREXs

Arguments:

DEWG runs like a group, NCWG runs like a Wing.

Not feasible for larger wings

Have a monthly meeting dedicated to ES

Group SAREXs (Qualification-specific)

Should be done on a case-by-case basis. Some wings have more need for ES than others. Some can not afford more training.

Should be dealt with on a level no higher than wing

Get rid of SQTR paper copies, do it on computer

Not in favor of the council

Open Floor

No topics for open floor

C/2d Lt Brown moves to adjourn

C/2d Lt Watson seconds

All in favor, meeting adjourned at 1037.

Sincerely,

Taylor Huneycutt, C/Capt, CAP
